An excellent turn out of 128 runners on a very hot day for fell running.

Thanks to all our helpers and marshals on the course and those who marked out the route the day before and those who swept round and gathered them all in afterwards.

Calderdale Club Calder Valley had chosen our race as a club Championship event and both 1st male and 1st female and the Team Prizes went to Calder.

One runner had to be taken to hospital by ambulance after collapsing at the finish. He was checked over and we think it must have been the heat - but he's ok.

Thank you to everyone who looked after him.

With the delay the prizegiving was a bit rushed but hope you all enjoyed the race and see you all next year.

Linda Crabtree and Halifax Harriers.
