**Saturday 21 February from the Top Brink Inn, Lumbutts, Todmorden.
11.30am start. Weather cool and windy. Sporadic mist on the tops.**

This years race attracted a slightly smaller field than last year, perhaps due to other races being staged locally over the weekend. Putting back the race by 1 week looks like a possible move.

Congratulations to this year's winners Mervyn Keys and Jean Rawlinson. The team honours went to Rossendale (men) and Rochdale (women).

There were many unpredictable placings due to runners getting lost in the mist. It all adds to the fun I suppose, but next year we intend to introduce clippers at key checkpoints so that any such "waifs and strays" will be penalised for missing out corners.
