STOODLEY PIKE RACE

Profits from this years Stoodley Pike race were given to charity in the time honoured traditions of the race.

Following an appeal in the Todmorden News on the Friday following this years race our committee decided to send £150 to the Sarah Yates Appeal. Todmorden teenager Sarah was diagnosed with Leukaemia just weeks after her 18th birthday and was admitted to Christies hospital in Manchester for an intensive course of chemotherapy which will last for 6 months.

Sarahs appeal has so far raised £3800 towards a target of £5000 for Christies hospital.

Todmorden Harriers wish brave Sarah all the best.

BATTY TODDIES

For the attention of those averse to road running or with a love of running on eerie tracks and paths in the pitch dark – or, hopefully under a full'ish moon.

THE TODMORDEN BATS

Alias the Tod Harriers Night runners will meet on Wednesdays when the weather's OK and the moon is out.

(starting Wed 26th Oct at the Queen)

Meet at the normal packrun time and place but bring a headtorch and fell shoes as well as your road shoes.

Not for the faint hearted or anyone scared of ghosts or werewolves!

Fluorescent tops recommended

Mask and Batcape optional

SPEED WORK & HILL REPS

Last year several of us went to the "track" at Rossendale. Nick Harris is their coach who is trained to level three. We all found this proper structured training very beneficial & are proposing to go twice a month on the first & third Tuesdays.

For these sessions meet at Bramsche Square in order to leave at 6.30pm prompt.
