VOLUNTEERS NEEDED

SHEPHERDS SKYLINE FELLRACE

Shepherds Rest Inn, Lumbutts Rd, Todmorden

Saturday 5th November 2005

From 11.30 hrs onwards

Volunteers to help at this annual Tod Harriers race would be much appreciated by Race Organiser PHIL HODGSON. Whatever your talents they can be put to good use as: flooring specialists, race marshals; car park directors; registration crew; finish funnellers; results team; race sweepers, etc etc.

This year, for the first time, we are organising Junior Races as well as the main fixture and will require more help than usual. The Junior Races start at 12.30 hrs and will require a slightly earlier start for some volunteers.

Spread the word to as many youngsters you know who fancy a short romp on the hills and through the mud. (£1.00 entry on the day and with age categories from 6 upwards). All junior competitors will receive a Goody Bag.

Please let me know if you can help on the day.

I'll allocate jobs nearer the date.

I can accommodate those runners who want to take part in the race by allocating jobs on the Junior Race or car parking etc.

TEL: 01422 844936 OR EMAIL: PHIL@TODHARRIERS.CO.UK

Thanks *Phil Hodgson*

THE CALDER VALLEY 3-HOUR SCORE EVENT

will be on Sunday 27th November this year, for those of you who are interested. Though I cannot guarantee the same perfect weather as last year (for those of you not there, there were a lot of lost souls wandering in the mist!!!) As usual it will be from our house:

Trough Farm, Stocks Lane, Luddenden, Halifax HX2 6SR. (SE046269) Tel:01422 881312.

You can start at any time between 09:30 and 10:30, and there will be preprinted maps. I'll use punches which means you don't need a waterproof pen, but full waterproofs, other full body cover and a whistle will be compulsory kit.

Afterwards, Anne will once again provide hot food (like the meat/veggie chillis last year) and there will be prizes. There are some hot contenders for the "most improved performance" prize after last year!

I'm afraid the entry fee has had to go up to £5, which should cover the costs in putting it on for a change!

If intending to come could you please let me know so I know how many maps etc to order either e-mail me on watchcave@hotmail.com or phone 01422 881312

Cheers, Bill and Anne Johnson

A classic if slightly contrived route up and down and around Pendle hill – the last climb up the big end is the sting in the tail. It's normally foul weather, which just adds to the fun. Definitely worth doing
