

TORRIER

STOP PRESS ENGLISH SEPT 05 CHAMPIONSHIP LATEST

Todmorden Harriers 4th with 27 points

A fantastic turnout at Whittle Pike meant that our men's team finished in second position.

If my calculations are correct this means that we are now in fourth place and only three points behind Dark Peak.

We would need to come second team at Langdale and Dark Peak would have to come lower than 5th team for us to draw level with dark Peak and get into Bronze medal position.

You never know !!

Anyone who hasn't entered Langdale & who is hoping to do so rumour has it that it is filling up – so get your entries in ASAP
