

# FORTHCOMING LOCAL FELL RACES

## **Sunday 17<sup>th</sup> December**

### **The Stoop BM** 5 miles/ 800ft

11.30, Penistone Hill, Near Haworth.

*Friendly, flagged, fun, and fairly muddy.*

*It's a Dave and Eileen Woodhead venture, so expect chocolate and shouting at the prize giving. Hugely popular race and rightly so.*

## **December 26<sup>th</sup> Boxing Day!**

### **Whimberry Naze Dash BS** 4 miles / 750ft

11.30, Marl Pits, Rossendale

*Annual fancy dress extravaganza disguised as a fell race! Last time I did it costumes included, men in dresses, 'Viz' style Fat Slags, and funny policemen. A bit like a night out in Bacup. Also Ben's promised to dress as a hairy fairy. As I said, a bit like a night out etc...*

## **Sunday 31<sup>st</sup> December**

### **Auld Lang Syne BM** 6 miles / 900ft

11.30, Penistone Hill Country Park, Oxenhope

*Festive fun in abundance. A bottle of beer for every finisher. What more do you want?*

## **Monday 1<sup>st</sup> January**

### **Giant's Tooth CS** 3miles / 400ft

12.00, Ogden Reservoir Embankment (off the A629 Halifax-Keighley Road)

*If you're quick enough, and drunk enough, you can finish your first race of 2007 before you've sobered up from the previous night.*

## **Saturday 6<sup>th</sup> January**

### **Ovenden Fell Race BM** 8miles / 1200ft

11.30, Ogden Reservoir Embankment (off the A629 Halifax-Keighley Road)

*Wintery sort of affair. Organisers are keen on full body cover etc, so think on.*

## **Sunday 28<sup>th</sup> January**

### **Stanbury Splash BM** 7 miles / 1200ft

10.30, Penistone Hill Country Park, Oxenhope

*Another Woodentop production with all that entails. Always popular, particularly amongst Toddlies. Also a plethora of junior races with added bonus cabaret consisting of the comical shouting of competitive dads, hysterical kiddies, etc*

## **Sunday 28<sup>th</sup> January**

### **White Holme Circular CL** 12miles / 1200ft

10.30, Summit Inn, Summit

*Apparently a race resurrected from the impenetrable mists of time. Will probably suffer from being on the same day as Stanbury . Seems to basically entail running around the resersers twixt Blackstone Edge and Stoodley. Gentle stuff for an 'L'.*
