

WHAT'S ON IN JANUARY

Wharfedale Harriers Owl Event

Run or Bike ! Approx 3.5mlTues. night 7.30pm Jan.23th 2007

From The Greyhound pub Manchester Rd Barnoldswick

Open to anyone daft enough !

Starting from the pub, it's to the Trig point of Weets Hill and back by any route you choose to take.

Bearing in mind it's going to be dark, you will need some sort of illumination !

There will be no flags or way markers, just a marshal at Weets Trig.

This is to be a fun event, but has the obvious dangers of a night event, ie darkness !

There are no prizes, only the honour of a good position, as its only fun.

A small contribution of £2.00 will go towards administration Costs.

Phil will be going so anyone who wants to share lift give him a bell on 01422 844936
