

Club races and marshals -put something back into your club.

As a club we organise 7 races, 6 fell and 1 road.

Our club races and organisers are

Noon Stone March 1 st	Andrew Horsfall	Flower Scar May 7 th	Jon Wright
Hebden Bridge June 8 th	Andrew Bibby	Stoodley Pike July 8 th	Rachel Skinner
Blackshawhead Fete August 31 st	Sarah Glyde	Shepherd's Skyline November 8 th	Phil Hodgson
& the Hot Toddy in December	Peter Ehrhardt		

So why do we do we have races?

The reason behind putting on races is to put something back into the sport. So the intention with our club races is that folk from other clubs can come and do them; and in return we go to their races – such as those put on by CVFR and other local clubs for instance.

And profit from our club races goes back into the club to keep our subs down as low as they are.

To stage those races we need over 100 marshals each year, that's equivalent to all the active members in the club marshalling on at least two club races per year.

The race organisers job is hard enough as it is without having to hassle folk into marshalling each year.

As a club we are pretty good in that we always have plenty of marshals on the day but sometimes it takes a bit of nudging and reminding. So **please think and volunteer in advance it** makes everyones life easier.

Some of the newer members in the club might be concerned about marshalling at a race, and not feel experienced or confident enough to do it. Please don't worry about it! Its easy and sociable to marshal, and its also fun to watch other runners race for a change. You can be manning a checkpoint out on the moor if you wish, or on the finish line, or help with registration - whatever you want!

ANYONE WITH COMPUTER SKILLS FANCY LEARNING HOW TO DO RESULTS AT THE MOMENT ITS UP TO CLAIRE & MYSELF. IT WOULD BE REALLY USEFUL IF SOMEONE ELSE KNEW WHAT TO DO.

Many thanks

Mandy
