Grand Prix 2010 - overview

After last year's season full of record-breaking performance, big turnouts and the domination of Andrew Wrench, 2010 has seen new, first time winners for all categories: Grand Prix, Club, Fell and Road championships. We will wait and see what next seasons new criteria brings.

89 Toddlers ran at least one GP race, a turnout second only to last year's record of 96. Whilst half completed in 4 or more races only 13 ran the 8 races needed to qualify for the GP (a minimum 3 fell, 3 road/trail plus two others). Three leaving it to the last race to qualify. Of the 13 Nick Barber, Martin Stork, Mel Robertson, Graham Milnes and surprisingly Jon Wright qualified in the GP for the first time.

79 of the 89 GP competitors ran a fell race, but numbers of road runners were down to 43 this year. 20 harriers turned out for just one race and a further for only two GP fixtures. Of those running 2 or more races, only 6 did not compete in a fell race whilst a very high 32 stayed off the roads. Of those qualifying there was more of a return to balance after last year's heavy scoring in road races where 11 of the 19 had 5 road races contributing to their maximum points. This year it was 7 out of 13 gaining maximum points on the fells.

Average turn out for road/trail races was 10 (15 races, 154 entries); Cliviger and Wesham were the most popular attracting 17 runners. The average on the fells was 16 (18 races, 281 entries) with great turnouts of 33 for the very muddy but local Withens Skyline and an equally good 28 at Coniston - an English Championship race.

In fact the English Championship races were a great showcase for Tod as a club. Not just because of the gold medal success of Lauren and Moyra but the attendance and visible presence of Harriers throughout the season. Excluding Noon Stone that we hosted, 51 club members have turned out for an English Championship race (it was 42 last year) competing 106 times over 5 races – an impressive average of 21 per race.

So on to individual performances. This year's GP was won by Jon Wright with the fourth highest total since the new scoring system was introduced 13 years ago – and with a split of 5 fell, 2 road and 1 trail this would be a qualifying total for next year's new formula. In also winning the Fell Championship he is only the second person to do a Fell and GP double: Andrew Wrench did it in 2000 and, of course, last year.

One disappointment was the fact that only 3 runners did the requisite races for the Club Championship. 9 others were one race away from qualifying – mostly failing to do a long category, but there were a couple of runners who missed a medium race having done both longs. Club Champion Nick Barber's number of points 558.7 is a total second only to last year's record set by Andrew Wrench.

This year's most prolific racer was Peter Ehrhardt who finished 15, pursued by a posse of women on 13– Mel Blackhurst, Elise Milnes and Mel Robertson, with the latter being congratulated for doing the most road races – 10 – in what is her first full season with the club. On the fells Dave Collins and Jane Leonard both did 12 of the 18 races. Highest scoring race was the Good Shepherd where 4 competitors topped 100 points.

Jon Wright's winning GP total averaged 98.7 points per race, but this average was beaten by Moyra on 99.3, Dave Collins on 99.4 and topped by last year's winner Andrew Wrench with 99.6. He also had the highest individual score of 106.3 at Mearley Clough – so despite not qualifying for any of the championships this year he has achieved success in some minor reckonings.

The 'GP Ten' trophy - instigated last year - has another recipient. It is awarded to those who have, since the new system was introduced 13 years ago, qualified for 10 GP's. This not a straightforward achievement as injuries and other factors easily intervene. Only two other club members have completed 10 GPs; Peter Ehrhardt and Paul Brannigan were first awarded it last year, and it is good to see them both qualifying again this year. Now a third member has completed their 10th GP this season.

The trophy is, in essence, a recognition of commitment not ability; something so true of this year's recipient Dave O'Neill. Completing his first GP in 1997 he has qualified for all nine since 2002. There may be some of you who, having seen him run, will question his completing one GP let alone ten – anyone doubting this award should express their concerns to the club statistician who checks these things.
