# Grand prix championship races 2014

L-Long

M-Medium

S-Short

Here's hoping these selected races will meet with interest and approval. Quite a few favoured races unfortunately clashed, and with the 6 English Championship outings providing tough challenges the other 9 races that make up the fell season should provide good training outings for EC contenders or enjoyable, rewarding running for those after GP points.

There is a traditional bias towards local races – tried and tested favourites such as the Trog, Midgley and Crow Hill are supplemented by some new to the GP – Boulsworth Bog, Edenfield and a fun finisher for those needing to get a final race in, Harriers vs Cyclists. Different scenery will be catered for with trips to the Peak District for Kinder and, after a few seasons of trying to select one, down to North Wales for the highly recommended Clywdian. For those still up for it after the EC there is a tough final long counter, back to the Lakes for Langdale.

After a slow start to the calendar, from April there is a nice spread of fell races, so we are hoping for a good club turnout throughout the year and qualifiers aplenty on many a finish line. Happy running for 2014.

## GRAND PRIX AND 2014 CLUB CHAMPIONSHIPS ESSENTIAL INFORMATION

### THE BASICS

The 33 races are split into 12 road races, 15 fell races and 6 trail races to choose from. There are 6 championships:

- 1  Fell (6 fell races of different lengths to qualify)
- 2  Road (6 road races of different lengths to qualify)
- 3  Trail (3 trail races of any length to qualify)
- 4  Club Champion (3 fell races of different lengths plus 3 road races of different lengths)
- 5  XC Champ - 3 races of the Red Rose series
- 6  Grand Prix (8 of any races, but a minimum of 2 road, 2 fell and 1 trail). This is the only championship that is handicapped according to age and sex thus finding the best 'pound for pound' runner.

Our statistician calculates your points by dividing your finishing time by the average of the first 3 finishing times and multiplying by 100.

A lot of races are pre-entry especially the English championship fell races and some road races. It is important to enter these races early as they do get over subscribed.

**You must wear a club vest.**

### **GRAND PRIX CHAMPIONSHIP**

This championship encourages participation from club members and aims to find the best runner making an allowance for age and sex.

Points: Points are calculated by dividing your finishing time by the average of the first 3 finishing times and multiplying by 100. As this championship is handicapped once you reach veteran status your points are multiplied by a factor that is higher for women and increases with age. Some races are eligible for a bonus (see Rules section).

Qualifying: 8 races from 33 will ensure you qualify, which must include a minimum of:

2 road races

2 fell races

1 trail race

Combinations such as 5 fell, 2 road, 1 trail or 2 road, 2 fell, 4 trail or 5 road, 1 trail, 2 fell are examples of how to qualify.

If you do more than 8 races then your best 8 scores are the ones that count (subject to meeting the minimum requirements above).

The club's software will work all of this out and the table is published regularly on [www.todharriers.co.uk/grandprix.htm](http://www.todharriers.co.uk/grandprix.htm).

Top ten finishers get trophies and all qualifiers get certificates.

### **FELL CHAMPIONSHIP**

This championship encourages participation from club members who enjoy fell running and aims to find our best fell runner. This championship incorporates the 6 English championship fell races plus 9 fell races selected by the fell race committee. There are 5 each of long, medium and short fell races.

Points: Points are calculated by dividing your finishing time by the average of the first 3 finishing times and multiplying by 100. There is no handicap applied for age/sex, but some races are eligible for a bonus (see Rules section).

Qualifying: 6 fell races from 15 will ensure you qualify, which must include a minimum of:

1 long  1 medium  1 short

Combinations such as 1 short, 2 medium, 3 long or 2 short, 3 medium, 1 long are examples of how to qualify.

If you do more than 6 races then your best 6 scores are the ones that count (subject to meeting the minimum requirements above).

The club's software will work all of this out and the table is published regularly on [www.todharriers.co.uk/grandprix.htm](http://www.todharriers.co.uk/grandprix.htm).

**Trophies are awarded for all gender/age categories.**

### **ROAD CHAMPIONSHIP**

Points: Points are calculated by dividing your finishing time by the average of the first 3 finishing times and multiplying by 100. There is no handicap applied for age/sex, but some races are eligible for a bonus (see Rules section).

### **CLUB CHAMPION**

This championship encourages participation from club members who enjoy fell and road running at all distances and aims to find our best all-round runner. This championship incorporates the 12 road races and 15 fell races. It does not include races from the trail championships.

Points: Points are calculated by dividing your finishing time by the average of the first 3 finishing times and multiplying by 100. There is no handicap applied for age/sex, but some races are eligible for a bonus (see Rules section).

You are eligible for this championship if you have not won a championship (grand prix, club, road, fell or trail).
