

# TODMORDEN HARRIERS PRESENT

## 777 Challenge

**Come and join us on SATURDAY 16TH AUGUST  
To raise money for Overgate Hospice.**

- WHERE** Centre Vale Park Todmorden  
At the shelter on the Todmorden side of John Fielden statue
- WHEN** Turn up any time between 9.45 am and 3.30pm
- WHAT** The aim is for lots of people, between them, to complete as many 1km laps as possible. You can walk, run, push a pram, scoot, hop, or just take your dog around the course.  
At the end of every lap you ring the bell and the lap is counted on our big scoreboard. You can do as little as one lap or the sky's the limit.  
Put at least £1 in the pot
- WHY** One of our long standing members David Wilson has recently passed away with MND. Number 7 was the late Rob Burrows number; hence the 777  
Overgate Hospice were incredibly supportive with his ongoing care. They are also in the middle of a massive fundraising effort for a new building.

Last year we completed 1428 laps and raised over £2500. This year we hope to beat that.

It would be great to see as many people as possible, from the numerous clubs and organisations in the Calder Valley, taking part.
