

## **Royd Roller – 12.8 miles, 2650ft of ascent**

**START:** Mytholmroyd village centre, south side of Burnley road at start of Cragg Road (top of steps on north side of bridge over the river).

**FINISH:** Opposite where you started – north side of Burnley road by the war memorial/pedestrian crossing.

**PARKING:** I parked on Cragg Road just round the bend from the Shoulder of Mutton on the other side – think there is a 90-minute time limit at Grange Dene car park so unless you're Mo Farah... There's also the Community Centre on Caldene Avenue.
