

## Tod Harriers Winter Series

### Trail race - 21st November – 7km / 227m ascent

Start 10am prompt, runners depart in groups of 6 at 1min intervals.

All runs to be self-timed using a sports watch or phone – the timekeeper will take times at the end

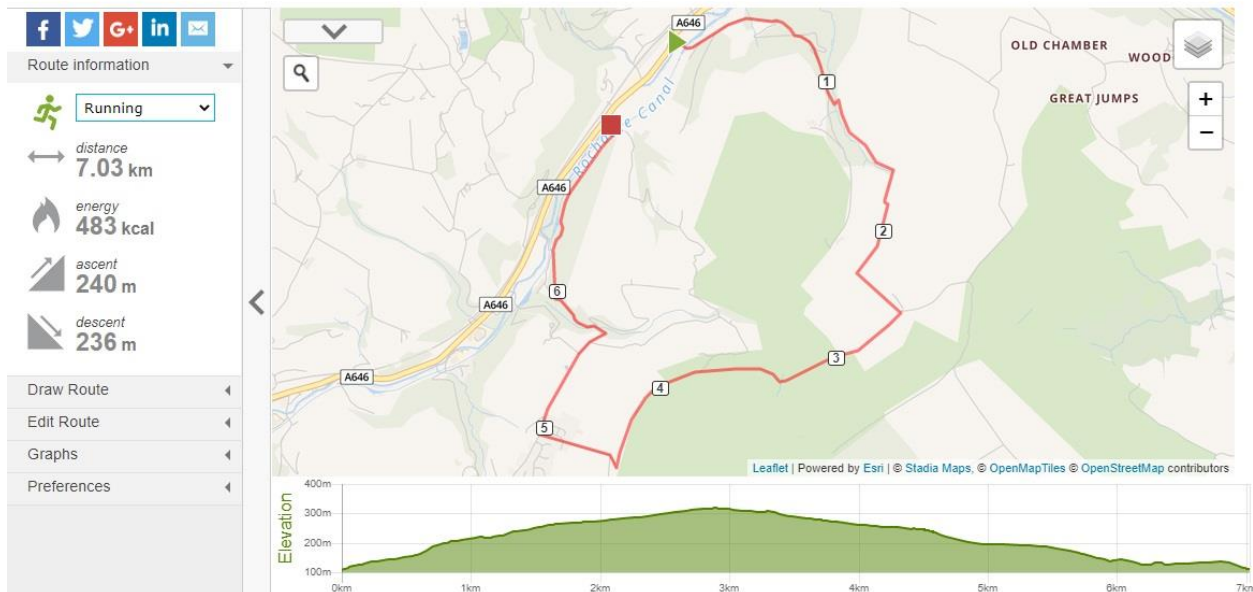

All runner to be familiar with the route and self-sufficient,

The event is run in accordance with Todmorden Harriers current covid risk assessment/action plan.

There are approx. 5 gates en-route so the carrying and use of hand-gel is essential.

Contact in case of emergency or retirement : Stu - 07721 432378

Route map:

Route Description : Start at Callis bridge, run up the Pennine way through Callis wood, onto the single-track after the pile of stones

Continue back onto the main trail heading uphill, Then take the left headed downhill (direction – Stanza Stones)

Over the bridge, through the gate turn right following sign for Mankinholes.

At the top turn right

Follow the grassy trail toward Stoodley pike

Left at the end of the grassy track :

Right at the top to the farm towards stoodley. At the farm continue straight on towards Tod :

Descend the trail (Stoodley pike to your left) then at the yellow post / bench turn right heading downhill with harvelyn park to your left:

At the road turn right :

With Stoodley now to your right, keep going straight on :

Straight on and over the ford:

At the concrete track turn left/downhill

Take the first right into the woods (be aware of other path users here and keep your distance)

At the gap in the wall keep far left leading onto the bridleway with the canal to your left:

At the end of the bridleway turn left

Over the bridge

And Finish!

Note: In the (unlikely) event that canal has reopened, the route will re-join the canal here and the finish will be along the towpath at Callis Bridge
